The Chick Evans Scholarship for caddies was started by legendary amateur golfer Charles "Chick" Evans Jr. He learned the game as a caddie, won the 1910 Western Open and gained worldwide fame in 1916, when he became the first to win the U.S. Amateur and U.S. Open in the same year. Evans insisted on preserving his amateur status, and any money he received from golf was put toward caddie scholarships. The first two Evans Scholars enrolled at Northwestern University in 1930. Since then, more than 10,800 men and women have graduated from college as Evans Scholars, and 985 are currently in school. The Western Golf Association, founded in 1899, has supported the Evans Scholarship since its inception. The Chick Evans Scholarship for caddies is a grant that covers full tuition and housing in an Evans Scholarship House and may be renewed for up to four years.
